About Ambien (Zolpidem)

Ambien (Zolpidem Tartrate) is a sedative-hypnotic used to treat insomnia. It works by calming certain neurotransmitters in the brain, promoting relaxation and rapid sleep onset.

Ambien is available in two main forms:

- **Immediate-Release (IR):** Helps you fall asleep quickly.

- **Controlled-Release (CR):** Helps you fall asleep and stay asleep longer.

MedsFedEx.com offers both options for **overnight delivery**, making it easy to select the right formulation for your sleep needs.
